Regency pharmacy is a locally owned independent pharmacy proudly serving our community since August 2008. We have a mission to serve our community with a sense of commitment and excellence. Our core competencies comprise of efficient processing, packaging and delivery of prescription, over the counter, and durable medical equipment and supplies orders from our contracted facilities with some emphasis on Medication Therapy Management (MTM). Our passion is quality service driven, which have enabled us to maintain client base with zero percent turnover rate partly due to competitive pricing of our products and services.
